

You're Way Ahead in Westlock

Sales Manager

As a GM, Chev, Buick and Corvette dealership in Westlock we are a very unique and engaging place to spend your days!

Are you a natural seller? A true people person? The "go to" person in your organization? Well if you love cars too, then this may be what you are looking for.

We have an opening for a Sales Manager in our Westlock Dealership.

As we grow our business, the training and recruitment of the highest quality employees is an ongoing priority.

This position will interest individuals who have above average communication, interpersonal and organizational skills; can handle multiple tasks and be detail oriented.

Responsibility will include managing salespeople, sales and product training; team motivation; planning , executing and reporting.
