EMERGENCY**

# VEHICLE EMERGENCY KIT

Keep this kit in your vehicle at all times, year-round. Store the supplies in a portable container and review the kit twice a year to replace food and water and restock any missing items.

Remember: aim to keep your gas tank at least half full whenever possible.

### **Suggested contents include:**

- Flashlight and extra batteries
- Portable cell phone charger
- Non-perishable food/energy bars
- Infant formula, diapers, wipes
- Bottled water: plastic so it won't break if frozen
- Booster cables
- Hand sanitizer: 60% alcohol (can also be used for de-icing frozen locks)
- Emergency flares
- High visibility vest
- Candle in a deep metal can and waterproof matches
- Heavy blanket/sleeping bag
- Extra clothing & footwear: seasonal
- Work gloves
- First aid kit
- Shovel
- Fire extinguisher
- Whistle
- Spare fuel container
- Road maps
- Emergency contact numbers
- Emergency help sign for dashboard
